

Génération Sports & Langues

GROUPS BROCHURE

G.S.L in a glance

You feel it is essential that youngsters are fluent in at least one foreign language?

Then the best way is definitely a trip abroad with a language travel organization competent, reliable and efficient. This is the case of GSL we provide best and comfortable conditions during your youngsters stays to learn foreign languages.

Learning takes place with immediate progress. Our agency is not only a true expert in the languages learning travel management, the organisation goes further:

GSL offers the opportunity to combine one's passion for tennis, golf, horse-riding, football, rugby, dance and other sports, while providing at the same time a high level of languages learning performance.

GSL also specializes in organizing sporting holidays! United States, England, Spain, Scotland and Ireland, our language travel agency offers a wide range of destinations all more fun with each other.

Your youngsters will return happy as ever by the experience.

For accommodation, GSL offers carefully selected host families, international colleges, equestrian centres and ranches, and the original and exclusive English Houses.
